Road Hazard & **FREE** Tire Repair PROTECTION PLAN

The purchase of the "Road Hazard & FREE Tire Repair Protection Plan" is only available on new tire(s) purchased from Hollin Hall Automotive.

If a tire(s) covered by the "Road Hazard & FREE Tire Repair Protection Plan" becomes unsafe and unusable due to a road hazard, such as a non-repairable cut, snag, nail or glass puncture etcetera, during the life of the original usable tread or within 5 years from the date of purchase, it will be replaced with a comparable tire based on the following replacement cost calculation.

The replacement cost will be determined by multiplying the original purchase price of the tire (excluding taxes and other applicable taxes and service charge outlined in the following example.

Example:

Michelin Harmony P205/60R16

Original tread depth 11/32nd*

Remaining tread depth 7/32nd**

Original Purchase Price \$150

Percentage of tread worn 44%**

Replacement cost would be \$150 original purchase price (or current retail price) x44% = \$66 plus applicable taxes, charges for mounting, balancing, value stems and rim cleaning.

* Original tread depth as per the manufacturers specific tread depth for that brand name tire

** The manufacturer's tire "Adjustment Chart", for the passenger tire purchased, will determine percentage of tread worn.
